

# LODEN PIZZA

## WELCOME

We are glad to welcome you in our restaurant!

It is our pleasure to pamper you. We wish you to enjoy your time off at Lodenwirt!

Our philosophy, back to the simplicity, away from the artificiality, sterility and uncomfotability.

We want to be a restaurant where you can feel good, eat and drink excellent and where you like to stay a bit longer.

Thomas, Sandra & Lodenwirt-team

## WE ONLY USE BRIMI MOZZARELLA FROM 100% SOUTH TYROLEAN MILK

For our tasty pizzas we only use Brimi mozzarella from the best South Tyrolean mountain farmers' milk. The milk is as unique as our land, South Tyrol, where nature has always been appreciated and respected. Promoting short distances in the supply chain is our responsibility and encourages us to choose regional products for our dishes .

### WHOLE GRAIN

For a long time we tinkered and tried and now we finally managed to create something fantastic. Our dough made of spelt whole grain flour is full-bodied, rich in fiber, full of important nutrients and, above all, super tasty. After 72 hours of walking, an easily digestible, crunchy dough is created that will make every food-conscious pizza lover shine. See for yourself!

---

### OUR DOUGH

In Lodenwirt's dough laboratory there is a lot of tinkering. Ask our service crew for the latest pizza dough creations. Did you know? All our doughs ripen for 72 hours and are therefore particularly digestible!
